- 9.7 A player can only play for 1 club in a season in the AMND Competition and the Premier League Competition. A player is deemed to be registered with the club for which they first take the court in the AMND Competition or the Premier League Competition in that year of the competition.

Note: Exception to clause 9.7 for C6 Inclusive Division only

Due to the inability to draw players from other grades in this Division, a player may play for more than 1 club in a season in the C6 Inclusive Division to enable that club to present a team on court. This exception only applies to minor round matches, not the finals series.

- 9.8 A player cannot play in more than 1 match in the AMND Competition on the same day or round of matches.
- 9.9 Where a club has 2 teams in the same grade:
- (a) players can move between the 2 teams in the minor rounds; and

- 9.10 To be eligible to play in the finals series, a player must be registered on PlayHQ and have played at least one third of the scheduled minor round matches in the AMND

Competition for their club (excluding any matches played on a Single Game Voucher) being (**Qualifying Number**):

9.11 Games played on a Single Game Voucher do not count towards finals eligibility. Games only count towards finals eligibility from the date the player is registered on PlayHQ.

9.12 Once a player has played the Qualifying Number of matches in a grade:

- (a) they can play in that grade or a higher grade in the finals series; but
- (b) they cannot play in a lower grade in the finals series.

9.13 If a player has not played the Qualifying Number of matches in one particular grade (but they have played the Qualifying Number of matches across a number of different grades) that player will only be eligible to play in the finals series in the highest grade for which they have played in that year of the competition.

9.14 Where an ineligible player takes the court in any grade in breach of this clause 9:

- (a) In the minor rounds, the offending team will lose 2 premiership points and in addition will lose 2 premiership points for each ineligible player. The non-offending team will retain all goals scored and the offending team will be reduced to nil goals.
- (b) In the finals series, the offending team will forfeit the match (and will take no further part in the finals series) and the non-offending team will be deemed the winner.

- 10.3 Where a player does not meet the eligibility criteria, Active Inclusion SA and the AMND Management Committee may meet with the player to determine if an exception should be made in their circumstances.
- 10.4 The C6 Inclusive Division will be governed by the same rules as the Senior Competition, unless stated otherwise in these Conditions of Play.

11. Premier League

- 11.1 The Premier League Competition means the Premier League and the Premier League Reserves Competition administered by NSA.
- 11.2 A player who has taken the court in the AMND Competition is deemed to have played the match. A player who has played more than a quarter in the Premier League Competition is taken to have played the match.
- 11.3 Where a player has played 2 or more matches in the Premier League Competition in the year of the competition, they may only play in the AMND Competition in a team which participates in AMND League, the club's highest Senior team or the club's highest Intermediate team.

[NOTE: Due to Premier League reducing its squad size to 24 players (being a stronger competition) the number of matches under this clause has also been reduced from 4 to 2 matches. Just means a player who has played 2 Premier League matches cannot drop down to (using hypothetical examples) B5, C4 or Inter 5 in the AMND Competition.]
