All players who successfully secure a registration spot with Walkerville Netball Club are guaranteed a position in a team automatically. Trials will still take place to allocate players into the appropriate team. **Attendance at trials is compulsory for ALL PLAYERS on ALL DATES relevant to your trial group/s. Failure to attend all trials may reflect in the grade you are selected for.**

Senior trials will follow a staggered system in 2024, giving everyone a chance to try out at the highest grade possible. Players will be assigned to trial groups based on their previous playing experience + your 'preferred grade' as selected by the player at time of online registration. You will be notified of your trial group AFTER registrations close via our private Facebook page. **Please note: some players will be required to trial over multiple groups.**

All senior players should ensure they are available every Thursday night throughout February as you will either be participating in:

1. Try outs
2. Attending a ball skill / fitness training which will run concurrently to try outs

***IMPORTANT - PLAYERS WHO TRIALED FOR LEAGUE/A GRADE:** If you were not selected in the AMND/A grade squad, you are invited to participate in the remaining group trials for selection in a team from B1 onwards. FUNDRAISING

The Walkerville Netball Club is committed to maintaining affordable registrations fees each season by subsidising player costs. Fees have been maintained at a low cost this winter, irrespective of the significantly higher costs incurred by the club from Netball SA in 2024. To enable this, each player will be expected to commit to one of the following fundraising options:

- Participate in our wine drive in association with our sponsor - \$60

Choose to purchase: The Winter Reds pack (3 bottles of delicious red); **or**
The Party pack (1 bubbles, 1 white and 1 rose, perfect for summer!); **or**
The Bubbles pack (3 bottles of 'The Lois' sparkling

OR

- **Purchase a box of Cadbury chocolates \$60** (the chocolates can then be on sold to recoup your money)

During online registration, you will be prompted to choose which fundraising option you would like to participate in. Payment of the \$60 fundraising fee will be due at time of registration, in conjunction with the registration balance.

UMPIRING / SCORING

Each team will provide their own scorer for all games. Centralised timing will remain, though in the event of a malfunction, teams will be required to supply a timer. Coaches will be notified should this be necessary.

Each club participating in the AMND competition is required to provide an umpire at all games. Umpires will be paid **\$25 per game (un-badged) or \$35-\$40 (badged)** by WNC. If you are keen to umpire this winter season, please let us know when prompted during online registration and by completing the google form via the following link:

<https://forms.gle/8GGGAodaXJcHEaMi8>

NOTE TO ALL PLAYERS: Although we try our best to allocate umpires for teams each week from our club register, there may be times throughout the season when the back-up umpire system needs to be activated. If our Umpire Coordinator is unable to find an umpire the day before the game (by 5pm), one will be chosen at random from the back-up umpire rosters provided by each team playing at the alternate time slot.

If selected, you'll be required to umpire. Alternatively, players are welcome to find a substitute umpire, provided the umpiring coordinator is notified of the change by 7pm on the Friday night prior. Should a player fail or refuse to attend an umpiring or scoring duty, and has not found a replacement, they will be fined \$100 by the club.

The backup umpire roster will be used as a last resort once the club has exhausted all other avenues, though ultimately this system is in place to ensure the final responsibility falls on the team to find a solution if needed.

If anyone would like umpire training, we will help put you in touch with Netball SA and pay for the course/refresher.

STADIUM ADMISSION

All AMND games are held at Netball SA Stadium. An admission fee is charged by Netball SA per player and spectator for each game. *Please note the below prices are set by Netball SA and are subject to change at their discretion.
